***Let's declare our intention....***

We call in our guides, we call in our angels.

We call in the Divine.

We ask for and acknowledge and allow and receive the “ahas,” the awarenesses, the beauty of this moment.

We allow it to shine into our very being, into the cells of our being, to receive the truth.

We say, “*Thank you.*”

Thank you for this opportunity to expand beyond who we know ourselves to be.

We are grateful.

And it is so.
