*Let's declare our intention....*

Calling in our guides, calling in our angels, calling in the Divine, saying, *"Thank you."*

Thank you for this opportunity to be clearer and clearer,

To have the opportunity to allow ourselves a new space of vibration,

A new space of understanding.

To gift ourselves this new awareness so that we are doing your work in this world,

And being the light, clearer and brighter, more beautiful.

We are grateful that it is so.

And so it is.
