- Fill out your “*I can have that!*” doc – for your eyes only.

A *Divinely Intuitive*[™] BUSINESS PROGRAM

- Begin to create a list of 50 people with whom you wish to connect, using your Divine research techniques. Remember to keep track of where you found them and why you want to connect with them.
- Share your calendar link in the FB group so people can schedule a call with you.

More Divine Clarity

- Complete your list of Your Ideal Clients' Characteristics. This will help you get clear about:
 - Who is your ideal client?
 - With whom do you want to connect with?
 - Why?

Divine Research

- Where are your ideal clients hanging out?
- Create a list of places they could be hanging out
 - Find Facebook/LinkedIn groups
 - Join several
 - Begin to participate in the threads
- Also, create your own FB group – be the leader
 - Invite your friends to join

You will be spending time on research. That's ok. In the beginning this stuff takes time. And it is well worth the investment.

Divine Energy Management

- Listen to these as often as you can:
 - *Divine Client Attraction* Heart-to-Heart Visualization
 - *Divine Client Attraction* Affirmations
- Learn the Figure 8 energy technique. Begin to practice it.

Divine hugs,

Anne
