Divine Connection Call with Anne

Schedule your *Divine Connection Call* with me during the 4 in 4 Challenge, so that you can experience one from the point of the receiver.

Here's your link: <https://www.timetrade.com/book/1GBYR>

If you have not had a DCC with me (even if you recently had one in the last few months before this **4in4**), please schedule one. I'd love to connect with you. I've added times to accommodate us. 😊

Divine Connection Calls inside the 4 in 4

- **Continue having Divine Connection Calls with at least 4 people.** The more you do these, the more you'll understand how these calls feel both as the invitee and as the host. It serves you in a big way to schedule and practice as many as you can.
- Are you getting clear about the questions to ask to help you filter your people?
