Your 6th Sense Guide to a 6-Figure Business

DivinelyIntuitiveBusiness.com

What we're going to cover today

- ✓ **Why it is so important** now, more than ever, to build a prosperous business
- ✓ Who is creating businesses today?
- ✓ What does it actually *take* to build a business **that makes \$\$?**
- ✓ Can you *really* build a business that is connected to the Divine?
- ✓ Your next steps, if you are interested and ready.

Your Divine Handout at:

DivinelyProsperousBizHandout.com

Your Divine Bonus

What else we're going to cover today...

- ✓ You'll meet **4 people** who have been building their businesses
- ✓ You'll hear their **stories**, their **challenges**, their **fears**, AND their **celebrations**
- ✓ Get to see **what's possible for you**

So... *who* is Anne?

- ✓ **A Divinely-Initiated Healer**
(with a mama of a Trauma Drama!)
- ✓ **Irreverent Rev., with a passion for humor, healers, animals, energy, intuition, family, and her oh, so sacred business ...**
- ✓ **AND of course, the Divine!**

Where you likely are in your Divine Biz:

- ✓ You are a **healer**, an **intuitive** or a **coach**
- ✓ You are a **lightworker** who knows **her work makes a difference** in the world
- ✓ You **love what you do**
- ✓ You have a **strong connection with the Divine**
- ✓ You want to bring your **spirituality into your business**
- ✓ You've spent **time, \$\$ and energy developing your gifts**, but not so much developing your business skills
- ✓ You are **ready to grow your business** and realize you need support doing just that.

This call is right for you if...

- ✓ You've been marketing and finding the results very frustrating
- ✓ You want to create a business that reflects who you are and want to be able to speak about it in a way that has people *get it*.
- ✓ You don't understand why it seems so hard to build a business
- ✓ You're tired of trying to go it alone and ...
- ✓ You're ready to get support and guidance
- ✓ You want to create a business that *supports* you, not the other way around
- ✓ You are ready to have more clients, more money and *more freedom*

This call is *not* right for you if...

- ✓ You want someone else to build your business
- ✓ You want someone else to just wave a magic wand so you don't have to do any work
- ✓ You don't want to take any responsibility for where you are in your experiences – whether personal, financial or business
- ✓ You feel like you've been there, done that (i.e., there's no room for possibility)

One question that is more important than any other:

***At the end of your life, will you be glad
you built your business?***

If so, then please stay on the line. If not, then please hang up and go do whatever it is you would be glad you did.

Because building your business must be something you feel deeply called to do.
