Hello Divine ones. This is Rev. Anne Presuel of **Divinely Intuitive<sup>™</sup> Business**. We are here for the ***Divine New Moon Magic*** call of July.

I want to start off by talking about intentions. I know I talked about this a lot. You hear me talk about this a lot, in my emails, a lot but I think that it's an important conversation to have. I think it's an important awareness to have about how, frankly, powerful we are, because we forget. In the daily ins and outs of life, we forget that we have the capacity, we have the capability to bring forth things that we desire in our lives. We forget the power of our mind. We forget the power of our connection with the Divine, the power of our connection with the world around us outside. We forget that we have capabilities beyond which we know.

The miracle says there is no difference in a miracle like finding a diamond on the ground versus \$10,000 or \$10,000,000. Now, I would argue, but there is a difference, but that would be because of the limits of my mind. My own brains say, "*Uh uh.*" Big difference.

And yours probably does, too. But nobody here is really trying to manifest \$10,000,000 but we would really like to manifest certain things. We'd like our intentions to come into being. We'd like to work with the energies of the Divine, with the energies of the universe, with the energies of spirit, to create what it is we'd like, to be able to step out into who we are, who we've come to be, the truth of our nature.

## A Divinely Intuitive™ BUSINESS PROGRAM

That's what we're here to do. And that's what we're trying to do each and every month, each and every day to the best of our ability.

Sometimes, we do great and sometimes, not so great. We forget. We forget the true nature that we are, this Divine nature that we are. We forget that we have powers beyond what we could even imagine, because we are and have been told we are not. We are not powerful, we are not capable, we are not able to, we are not of that level of capability or ability.

We come in and we are small, we're little, we feel helpless and we step into our fears. Not naturally, but they're given to us by those around us, because, they, too, right?

So, what we're doing in this Divine New Moon program is really reminding ourselves of what we are capable of, what we can do of how we cannot be small like we've been told we are by so many.

I hope you took time today to write down your intentions. If you didn't, you can do it while I talk, if you like. That's totally fine. Those of you who don't like writing things down, as long as you're aware of it, they carry a big weight.

What are your intentions this month? Let's do some tapping on speeding things up because, I think, it would pretty cool to have things manifest a little faster. I want you to look at your intentions. I want you to think about them and think about the conversations you have inside your head about your ability to create. But I would like for you to be very present to those inner thoughts, the inner conversations of, *"I can't ask for that. That's too big,"* or *"That's too much."*

Here's the thing. Even if you set your intention now and it doesn't into being this month, it's going to come into being at some point, but it takes some time. If you can just be with the process of what it's going to look like to be able to create that and give yourself the time and

space and not go into, “*Ah, it’s not working! It just doesn’t work. Anne, it doesn’t. It just doesn’t work for me.*” Stay out of that.

If you can start to recognize how powerful you are, how powerful you, Divine being, are in creating what you want and see and acknowledge the many areas, the myriad ways in which you manifest, you’d be writing down your intentions, you’d be doing your inner work yourself ongoingly, the inner work of aligning yourself regularly, consistently. You just would.

### *Let’s declare our intention....*

Having said all that, nice deep breath, everybody.

We call in our guides and we call in our angels.

And we say, “*Thank you, thank you, thank you,*” for this opportunity to clear out the thoughts and the fears and the concerns that we have that say, “*I can’t have that,*” “*I can’t do that,*” “*That’s too much for me,*” “*It’s too big,*” “*I’m not enough.*”

Thank you for giving us the opportunity and the method, the tools that we can use to help us shift out of that.

We know that only love is spoken here.

We know that only grace is given here.

We know that only alignment is provided here.

We are grateful that it is so.

We know that the downloads can come now and they can come later. And we receive them with joy in our hearts.

And so it is.

***Let's start tapping...***

Start tapping at the top of your head.

*I have this desire to be known a certain way,*

*To create a certain way.*

*And I find myself frustrated.*

*I find myself unable to fully step into that in the way I want.*

## A Divinely Intuitive™ BUSINESS PROGRAM

*I know, at the deepest level, that that is my calling.*

*At the deepest level, it is my calling to be happy, healthy, wealthy, wise,*

*It's my desire,*

*My deepest most heartfelt desire.*

*And on some level, I believe I can create that.*

*Part of it, consciously.*

*Part of it, not consciously.*

*Part of it, on a sole level, I know that I can create that.*

## A Divinely Intuitive™ BUSINESS PROGRAM

*On a conscious level, sometimes, I wonder if it's even possible.*

*Sometimes, I wonder how.*

*How could this be?*

*How could I create?*

*How could that be possible?*

*How would I do that?*

*Look at all the things that would have to happen in order for me to have that.*

*And so, at times, I give up.*

*I say, "Forget it. I don't know how this could happen. I might as well just give up."*

*To those things, I say, "No! I have everything I need to create everything I want."*

*I have it within me and I trust that I there are those who can guide me.*

*Who can support me,*

*Who can help me in creating what it is I want.*

*Even if I'm not aware of them right now,*

*I know they exist.*

## A *Divinely Intuitive*<sup>™</sup> BUSINESS PROGRAM

*Even if I don't know where they are,*

*Even if they don't show up right away,*

*I trust that they exist.*

*I trust that they wish to be a part of my life.*

*I trust that when the time is right,*

*That when I am aligned,*

*It shall happen.*

*I trust this.*

*I believe this.*

*Even though I have doubts at times,*

*I am willing to let those doubts go,*

*And to step into a greater space of faith,*

*To step into a greater space of my own recognition,*

*Of my own power.*

## A Divinely Intuitive™ BUSINESS PROGRAM

*I'm willing to acknowledge I have the ability, with the Divine, to create that which is in my heart,*

*That I can do this,*

*That I can create these intentions that I have set,*

*That I can allow these intentions that I have set to become manifested in my life,*

*That I can allow myself to receive the goodness and the abundance that I desire,*

*That I can allow myself to receive all that I desire.*

*I can allow myself to receive joy, happiness, laughter, abundance, love, intimacy.*

*I can allow myself to receive what I want without drama, without trauma.*

*I can allow myself to say yes to myself.*

*I can allow myself to say yes to the Divine.*

*I can allow myself to say yes to a vision much higher, much bigger than I know myself to be.*

*That I can allow myself to receive love,*

*To receive abundance,*

*To know the truth of my own being,*

## A *Divinely Intuitive*<sup>™</sup> BUSINESS PROGRAM

*That of Divine one.*

*One with the Divine.*

*That I can acknowledge it and own it without fear,*

*Without “yeah, right,”*

*Without “Uh huh, sure.”*

*But simply own it.*

*To say “thank you” for the amazing gift that show up ongoingly in my life.*

*And to see how they multiply in myriad ways,*

*To see how they continue to expand and grow and show up for me.*

*I can say yes, yes.*

*I can receive.*

*I do receive.*

*I am willing to receive.*

*I am willing to say yes.*

## A Divinely Intuitive™ BUSINESS PROGRAM

*I am willing to experience this.*

*I'm willing.*

*I say yes.*

*I say yes to love.*

*I say yes to joy.*

*I say yes to abundance.*

*I say yes to a magical month.*
