Hello Divine ones. This is Rev. Anne Presuel of **Divinely Intuitive Business**. We are here for the *Divine New Moon Magic* call, the one for May 2020. And I want to welcome you to the call. This is really great you are here.

Oftentimes, people get the guidance to do something but then they don't take the actual time to go and actually do it. They get the information, and boy, do we love our information. We are such an information society right now. But we don't actually do the implementation of those ideas or that information.

And that's where the hard stuff is. It actually when you take the time to implement, when you take the time to do it, that's how you manifest. It's not just a love attraction being that you just go set an intention and don't do anything.

Not at all. It's a setting of intention and then allowing the Divine to guide you to what the right next step is.

This is intention, your intention to create something.

A *Divinely Intuitive*[™] BUSINESS PROGRAM

Let's declare our intention....

Let's take in a nice deep breath and let's call in the Divine, call in our angels and say, "Thank you."

Thank you, thank you for the support, the help in shifting through this and moving through this fear or concern that I have in creating what it is that is in my heart to create, that I feel so called to create.

Thank you.

Thank you for the support, the downloads and the transformation that is available to me ongoingly.

And thank you, all of these and so much more is manifested in my life.

And so it is.

A Divinely Intuitive™ BUSINESS PROGRAM

Let's start tapping...

So even though I have this big vision,

This big vision and a big desire to create more expansion in my life,

More beauty in my life,

More abundance in my life,

More organization, more flow, more ease.

And in all of these areas, I have this wonderful intention.

And I believe I can do it.

Can I do it in the next month? Who knows?

But I do believe, on some level, that I can do it.

And I feel called to do it.

I feel called.

And even though I see it and I have this like, "I'm not sure I could do this,"

"I'm not sure that I have what it takes to create this,"

"I'm not sure how to create this,"

A Divinely Intuitive™ BUSINESS PROGRAM

I'm willing to consider the fact that I can let go and let God.

I can let go and let the Divine take the lead on this.

I can let go and just relax about it.

I'm willing to consider the fact that I don't have to control it all.

That I don't have to know how to do something.

I don't have to know how everything works,

Or why it should work a certain way,

Or how it should work.

I don't have to know that.

All I need to know is I'm open.

I'm open.

I'm open.

All I need to know is I'm open to allowing magic to happen.

I'm open to allowing the Divine to take the lead,

A Divinely Intuitive™ BUSINESS PROGRAM

To allowing the Divine to figure things out,

To allowing the Divine to work for me and my best good.

I'm open to allowing the Divine to show me how,

To show up in my life and to do for me,

To make those connections,

To put my information in front of certain eyes that need to be seeing my work.

I am open to and allow this to happen.

I'm willing and any fears that I have,

Any concerns I have,

Any worries that I have,

I let them go.

I let them go and I choose differently.

I choose to say, "yes."

I choose to say "yes" to my dreams,

I choose to say "yes" to my vision,

A *Divinely Intuitive*[™] BUSINESS PROGRAM

I choose to say “yes” to the Divine,

I choose to say “yes” to my downloads,

And I choose to say “yes” to action on my downloads.

I choose to implement.

I choose to do what I’m guided to do and follow through,

So that I may have and create that which is in my heart.

I choose to do this.

And I choose to let go of any concerns that say, “I can’t.”

I choose to let go of any worries that say, “I can’t have the business that I want,”

“I can’t have the relationships that I want,”

“I can’t have the health that I want.”

I choose to know that I am healthy,

That my angels protect me,

That I am protected.

A Divinely Intuitive™ BUSINESS PROGRAM

And I do the things that I need to do to protect myself,

To stay healthy,

To honor my body.

I choose to do those things with ease and with grace, with joy, with appreciation, with gratitude.

I do those things because I know that those things make a difference.

I choose to remain in a space of possibility,

In a space of joy,

In a space of love,

In a space of happiness,

In a space of gratitude.

Because I know those things will make a difference.

I choose to see through the eyes of the Divine.

I choose to enjoy life as it is right here, right now, to love it, to appreciate it,

To look at all the abundance that I currently have so that I can create more,

A Divinely Intuitive™ BUSINESS PROGRAM

To look at all the health that I currently have so that I can even increase my health,

To look at my body and love it for all that it does for me,

To look at my life and appreciate how wonderful I have it.

I choose love.

I choose joy.

I choose gratitude.

I choose appreciation.

And I choose to look at life through the eyes of the Divine,

I choose to look at my business through the eyes of the Divine,

Knowing full well that everything is working together for me.

Any fears I have,

Any resistance I have,

I just allow it to be.

I just let it go.

I no longer need to carry that with me.

A *Divinely Intuitive*[™] BUSINESS PROGRAM

I choose to release it,

To say, “Thank you.”

Thank you, thank you for the guidance and the wisdom and the protection.

I choose.

I choose.

And I say, “Thank you.”

Thank you, God.

Thank you that this shows up.

Thank you that it works in my favor,

That it flows, life flows, money flows in my favor,

That clients flow in my favor and in their favor,

That it is a win-win for all of us to work together.

Thank you.

Thank you.

A *Divinely Intuitive*[™] BUSINESS PROGRAM

Thank you.

This I declare is my truth.

This is my truth.

This is my truth.

And so it is.

Alright, Divine ones, nice deep breath. I want you to just stay with this and go write in your journal anything that you notice that showed up for you, anything that allows you to receive that, what “ahas” that you have during the tapping. What was the awareness the you had? What came up for you? What were your “ahas?”

And we’ll see you on the call next month.

Go get your Divine ON, everyone!

Have a beautiful afternoon. Bye now.

XOXOXO,

Anne
