## ***Divine Business Investing*** **Invest with Confidence & Clarity**

### **Guided Tapping Script**

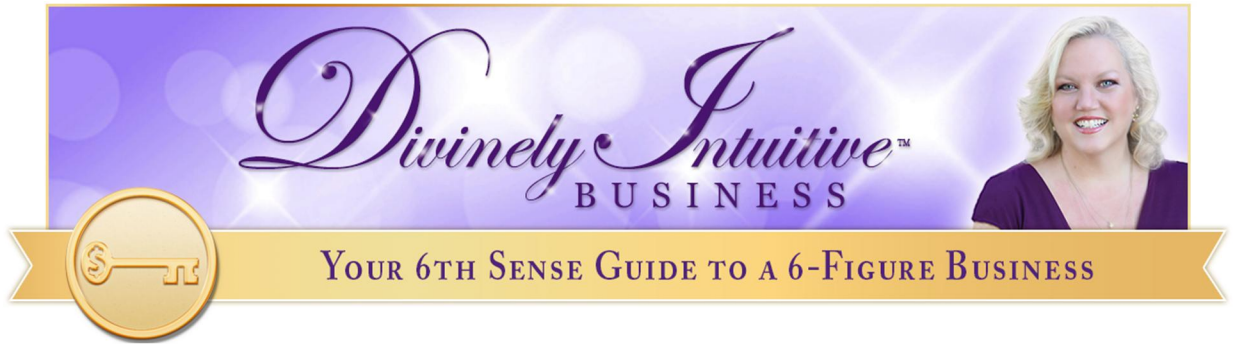

Hello. This is Rev. Anne Presuel and this is your tapping script to tap along with about fear of making an investment.

A lot of times when we up-level in our business, it can be scary - whether it's in investing in ourselves or investing in a mentor, investing in a training or investing in getting some support - it can be a little scary.

So, I created this tapping script for you to tap along with so that you can move through that block. I invite you just to simply tap along with me.

If you need to look to find out what the tapping points are, you can find them at <https://divinelyintuitivebusiness.com/tapping-points>.

So, if you know where the points are, just tap along. If you don't, then download the guide and tap on the tapping points as we go through this. I suggest you simply change points with each statement.

Let's tap along with these statements:

*Even though I have no idea how I'm going to get this investment back,*

*I really want to.*

*On some level, I do think it's possible for me to do that*

*But I don't know where that is yet.*

*I don't know how.*

*I really want to make my investment back.*

*I want to make my investment back tenfold*

*But I don't know how.*

*I don't know if it's possible.*

*I do believe it's possible on some level within me.*

## YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*And I'm willing to consider that there's a way to do this.*

*I'm willing to consider that I can receive that information.*

*Wouldn't that be great?*

*Wouldn't it be great to make my investment back?*

*Wouldn't it wonderful to make my investment back tenfold?*

*Even though I don't know how it's going to happen?*

*Maybe I don't have to know how that's going to come into being.*

*Maybe I can trust the Universe to show me the way.*

*Maybe I could trust my guidance to show me.*

*Maybe my intuition will guide me.*

*Actually, I think I can be open to that.*

# Divinely Intuitive™ BUSINESS

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*I can learn to trust my intuition while I build my business.*

*I really can.*

*So, maybe, I could just trust.*

*I want to trust.*

*And actually, I choose to trust.*

*I choose to trust*

*Because I want to give myself that gift.*

*I want to give myself the gift of trusting.*

*I could do that.*

*I've tried lots of other ways*

*But I haven't really tried trusting.*

# Divinely Intuitive™ BUSINESS

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*You know, the fact that I'm thinking about money*

*Makes it a little scarier to trust.*

*Who am I kidding?*

*Money does get in the way of trusting sometimes.*

*That's for sure.*

*I wonder if it has to.*

*It usually does.*

*I've heard that some people really trust God to provide for them.*

*And provide for them in an abundant way.*

*They don't worry about money.*

*They seem to have lots of it.*

# Divinely Intuitive™ BUSINESS

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*I wonder if I could learn to trust like they do.*

*One thing that I noticed that's really different between them and me is*

*They truly develop their skills not only of trusting*

*But also acting.*

*They act upon the information that they get from their intuition.*

*They know what steps to take.*

*And they take them.*

*When they're guided to take certain steps,*

*They actually do take them.*

*They don't just think about it.*

*Another difference is that they have really developed their skills in their business.*

# Divinely Intuitive™ BUSINESS

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*They've developed their skills in the ways in which they bring in money.*

*So, maybe that's also what I really need so that I can fully trust.*

*Maybe what I really need is to learn the skills of not only my intuition*

*But also how to make money in my business.*

*That's definitely one reason I'm here ...*

*So that I can learn intuitively how to be better of what I do every day.*

*I am really ready to begin to trust now.*

*I really am.*

*But you know what?*

*I choose to trust.*

*And I'm just going to say it.*

# Divinely Intuitive™ BUSINESS

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*I trust.*

*I trust the Universe.*

*I trust the Divine.*

*I trust God.*

*I trust that it's possible for me to make this investment back.*

*And I trust that it is possible for me to even make it back tenfold.*

*And I don't have to know how right now.*

*I trust that I will be guided.*

*I can allow my own perfect intuition to show me the way.*

*I can allow my own perfect connection to the Universe ...*

*To the Divine ...*

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*To God ...*

*To show me the way.*

*I can trust.*

*I can allow it.*

*I can allow the information to flow in and through me.*

*I can allow that information to flow through me so that I can have enough.*

*And I can even have more than enough.*

*Oh my word, more than enough,*

*How fun is that?*

*That actually sounds really exciting.*

*If I have more than enough,*

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*I won't have to scrimp and save.*

*I'll be paid well to do my spiritual work.*

*If I have more than enough,*

*That means I can bring my spiritual sacred gifts to the world*

*And I can make more than enough money.*

*That means I don't have to be tied to being broke.*

*I don't have to be tied to not having enough.*

*I don't have to be tied to struggling to get more clients.*

*I don't have to be tied to feeling like I don't have enough*

*Or that I can't spend on what it is I want.*

*That would be wonderful.*

# Divinely Intuitive™ BUSINESS

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*I am tired of not enough.*

*And I'm tired of feeling broke.*

*Truthfully, I'm tired of not trusting.*

*I'm tired of the internal struggle.*

*And I am so ready to be done with all of that.*

*I'm willing to let my poverty consciousness go away.*

*I'm willing to step into a wealth consciousness.*

*Even though I'm not sure what that looks like.*

*But I'm willing to see it.*

*I am willing to see what it would look like,*

*To know what it would feel like,*

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*To experience it,*

*To be it,*

*To have it*

*And to manifest it.*

*I am willing to have a wealth consciousness*

*And a spiritual business*

*Where I bring my incredible gift to the world.*

*I choose to be seen by the world*

*In all my glory*

*Because I know that my connection to the Divine*

*Guides me in all ways*

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*Always.*

*And it helps those who see me*

*Because when I claim*

*And show my magnificence to the world,*

*Other people do the same.*

*They get permission.*

*Not from me but from themselves.*

*And that is what I want.*

*I want to touch the lives of others*

*By being the magnificent being that I am.*

*To give them permission*

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*And the space.*

*To be magnificent*

*Using their Divine gifts.*

*I am willing to have a wealth consciousness*

*To have this*

*As I bring my beauty to the world,*

*As I bring my magnificence to the world*

*And as I bring my powerful connection*

*To the Divine to the world.*

*I'm willing to have abundance.*

*I choose to have abundance.*

# Divinely Intuitive™ BUSINESS

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*I want to have abundance.*

*I love having abundance.*

*And I choose to allow it now.*

*I choose to create it now.*

*I choose to be it now.*

*I choose to own it now.*

*I choose to be great abundance.*

*And I choose to be a person of great abundance.*

*I choose to know*

*And to understand what it is*

*She would do*

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*And how she would act*

*Being a person of great abundance.*

*And I choose to act like that.*

*I choose to be that.*

*I choose to have more than enough.*

*And I choose to be someone who has more than enough.*

*Today, I choose to bring my spiritual work to the world*

*And to share it in great abundance to the world.*

*And I choose to receive great abundance in return.*

*Today, I let go of my fear.*

*My fear of abundance,*

# Divinely Intuitive™ BUSINESS

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*My fear of connection with the Divine,*

*My fear of surrender to the Divine,*

*My fear of hearing what the Divine has to say a*

*And has to bring to me.*

*I let go of my fear*

*And I allow this connection to guide me.*

*Today, I am whole,*

*I am perfect,*

*I am complete*

*Just the way I am.*

*I am connected at all times*

# Divinely Intuitive™ BUSINESS

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*And I am provided for in all ways*

*Always*

*By the Divine.*

*And I allow this providing to fill my life,*

*To fill my business,*

*To fill my body in its own perfect way a*

*And I am grateful.*

*Today, I say, Thank you, God.*

*Thank you, Divine One.*

*Thank you, Spirit.*

*Thank you, Universe*

YOUR 6TH SENSE GUIDE TO A 6-FIGURE BUSINESS

*For providing for me in such magnificent ways.*

*I say "Yes!"*

*And I receive this abundance today*

*Right here,*

*Right now*

*In my being*

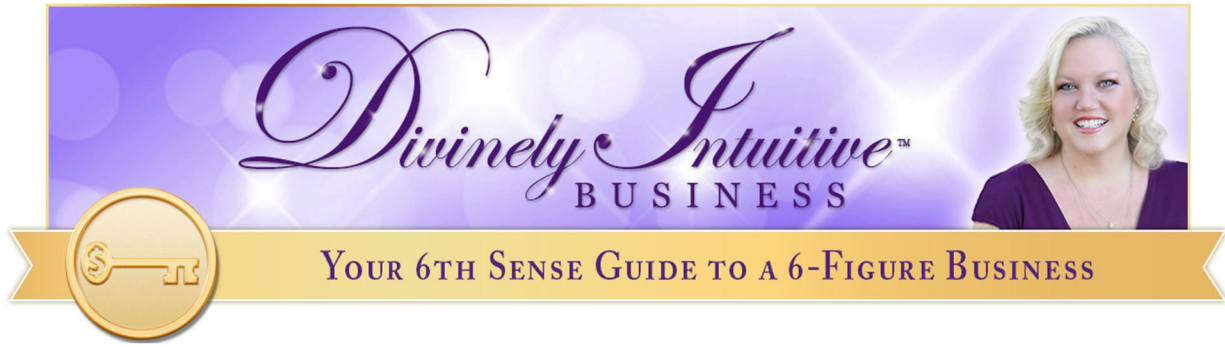

*In every bit of my being.*

*And it is so.*

*Now and forever more.*

*Thank you, God.*

*Amen.*

Have a wonderful day and thank you for tapping with me and for bringing your beautiful gifts to the world. It needs your gifts. It needs you.

Divine hugs,

Anne
