Here are energy tools to align yourself with your vision. If you use them consistently and regularly, you'll discover more and more ease in your life and business.

- Divine self-care, whatever that looks like for you
- Affirmations
- Change your story
- Tapping
- Jin Shin Jyutsu finger hold technique
- Temporal tapping
- CAT (Complete Alignment Technique)
- Meditation
- Visualizations
- Connect to your business, to your business angel, to your guides
- Develop your skills
- Get inspiration from someone who has done this before
- Get support/accountability
- Prayers like the Ho'Oponopono Prayer
- Shake it out/dance it out
- Have a visual of your progress
- Create a vision book/board
- Use post-it notes with affirmations
